

## **Saturday, May 23, 2020: Arizona Lectureship Is Postponed**

The Arizona Lectureship Executive Committee has decided to postpone the lectureship scheduled for October 11-15, 2020.

We are saddened to share this news with you. This is the first time in 36 years that this great spiritual event will not take place. We are all working through the catastrophic consequences of this unprecedented Covid-19 coronavirus pandemic.

This decision was based on our commitment to do our part to help protect our lectureship volunteers, attendees, and fellow Arizonans.

With God's guidance and according to His will our intent is to reschedule the Arizona Lectureship for October 10-14, 2021.

We understand the gravity of the situation and we take the health of our brothers and sisters in Christ and the community seriously. We will be praying for you during this difficult time and will continue to work to bring you a glorious lectureship when the Lord allows. Until we have the opportunity to fellowship face to face, be safe and continue to strive toward our purpose – knowing Christ and making Christ known.

For the cause of Calvary,

Merlon "Mack" Thompson (Chairman)

Jeffrey Walker (Host Minister)
